We hope you are planning to attend the 2010 Conference. We are looking forward to meeting first time attendees and visiting with those of you who have supported us and attended the conferences over the past years.

There will be something for everyone. Whether you are in law enforcement or a civilian, a coordinator or alumni, the topics at the conference are varied and will be very informative. Of course, most of you who have been involved with Citizen's Police Academies know that the best learning comes from the networking with others. This is where the real information is gained. The more attendees the more information gained. We hope you are one of those at the

conference sharing your knowledge with others.

We look forward to providing a great conference for everyone. See you in Hilton Head, South Carolina!

Have a safe trip everyone.
