# 2011 Conference Edition!

## A Great Conference Experience For All

Another informative, interesting and fun conference is complete! The Board of the National Citizen's Police Academy Association hope that all of the 2011 NCPAA conference attendees enjoyed their stay in Baton Rouge and learned some information from the educational sessions that were offered, to take back to their agencies and enhance their citizens police academies and alumni groups.

It was a great opportunity for all of us to learn from one another, share ideas, meet new people and to renew our friendships. As always it was because of you that it was a success.

We are already looking forward to next year's conference, April 23-25, 2012 being held in Decatur, Alabama. We will be well informed and will have several activities to participate in.

We want to thank you again for your support this past year as a conference attendee and look forward to seeing you again next year. We also ask you to encourage others to come along and join our association.

Enjoy our conference edition and the many pictures taken from the events. See you next year!
