The 2011 NCPAA Board of Directors—from left to right- President Dick Powers, Director Nancy Burns, Secretary Joyce Sachs, Director Mike Barnes, Treasurer Phyllis Fields, Director Lena Wallace, Director Carol Hribar, Director Richard Hughes, Vice President Jim Kaletka, Director Tino Vasquez

The 2012 NCPAA conference, hosted by the Decatur Police Department and the Decatur Police Department Citizens Academy Alumni Association was a great success.

This year's conference was interesting and informative. The topics were varied. We also had some interesting displays of law enforcement vehicles, old and new on display for us to view. It is always fun to see how different cars are decorated and displayed. It was a great opportunity for all attendees to learn from one another, share ideas, meet new people and to renew friendships.

The Board of the National Citizen's Police Academy Association hope that the attendees enjoyed their stay in Decatur and learned some quality information from the educational sessions that were offered to take back to their agencies and enhance their citizens police academies and alumni groups.

As always, it was because of our members

support that it was a success. We also ask you to encourage others to come along and join our association.

We welcome you to enjoy our conference edition and we look forward to seeing you at next year's conference.
