Utah! This Is The Place!

by: **Stephanie Gonzales**
Citizens Academy Coordinator
Woods Cross Police Department

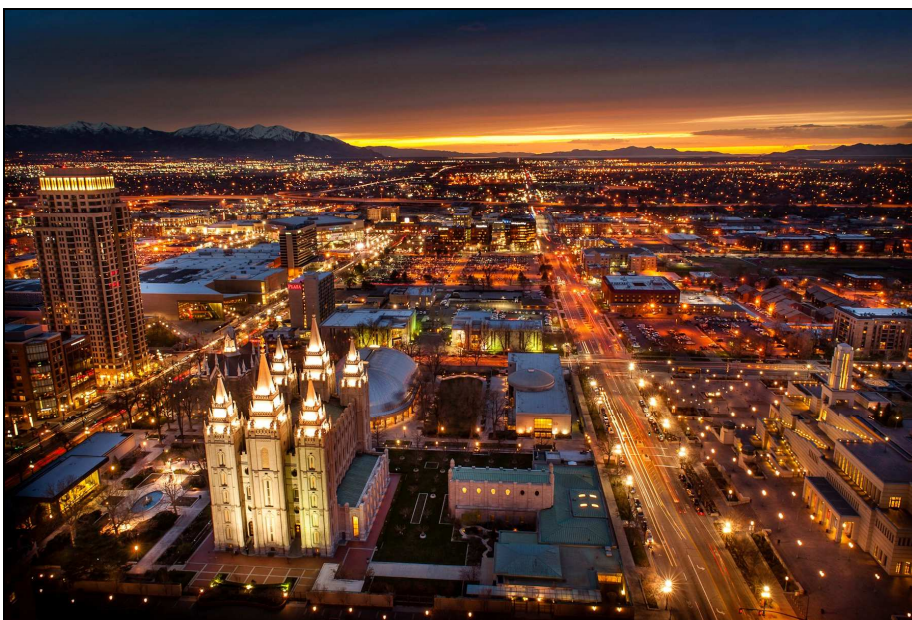

SAVE THE DATE!

Come and join us in a world class setting for the 18th Annual National Citizens Police Academy Association Annual Conference just outside of Salt Lake City, Utah! The conference dates are April 25th through the 29th 2016.

We plan on promoting law enforcement and public education by presenting some of the best speakers across the country. In addition, preparations are underway to bring you valuable information and training to share with your agencies, academies and alumni groups. There will be breakout sessions, specialized training and networking opportunities that will help you to enhance your citizen academy and crime prevention efforts.

We are excited to be holding the conference this year in the area of Utah's Park City ski resorts complex known as Midway, Utah. This area is known to locals as "little Switzerland" and is a high green mountain valley situated just south of the Park City resorts.

Your home away from home will be the award winning Zermatt Resort. There will be cost saving early conference registration, so you

will need to register through our special site to get the exclusive conference pricing. We will certainly keep you updated in the months to come on everything you will need to know regarding the conference, how to register, classes as they are planned and the conference site area! Please start making plans now to attend.

See you next year!
