Utah Is Gearing Up For The NCPAA!

by: **Stephanie Gonzales**
Citizens Academy Coordinator
Woods Cross Police Department

The Davis County Citizens Academy members are excited to welcome you to “The Greatest Snow on Earth”. Utah is an amazing place to work and play and we look forward to showcasing our amazing state while also providing exceptional training.

Our Citizen Police Academies are designed to build a bond of mutual trust and respect between the police departments and their communities. Additionally, our academies highlight the importance of citizen participation in public safety & helping our community remain free from the fear of crime. Today more than ever, this is crucial in law enforcement.

We look forward to highlighting ideas and having open discussions on the ways to help us all become more successful. We have confirmed some amazing speakers and fun activities that we will participate in.

Please keep in mind we still have early registration discounts available, so register
