Spring 2016

Utah Is Ready For The NCPAA!

by: **Stephanie Gonzales**
Citizens Academy Coordinator
Woods Cross Police Department

This year for the first time in the history of the illustrious travel guide, Fodor's decided to select their top destination and they sent a great big present Utah's way by naming Utah the top travel destination in the world for 2016!

Fodor's highlighted three key characteristics that differentiate Utah from every other destination in the world: our beauty, opportunity for adventure and affordability. We are excited to welcome you to Utah to experience what they are talking about!

The NCPAA conference topics are in this newsletter issue. Please keep in mind, the one constant thing in life is change...and paying taxes, so it is always subject to change. We will be having an open discussion on Thursday during the open forum on Citizen Academy Alumni issues— starting, maintaining, events, etc. Please bring any information you wish to share with others regarding this topic. Remember, the best learning is usually when we get to network with our peers.

As the conference gets closer we are getting more excited to welcome you. We hope to exceed your expectations. If you have any questions please do not hesitate to contact us. See you in April!
