SUPPORT THE NATIONAL CITIZENS POLICE ACADEMY ASSOCIATION (NCPAA)

The NCPAA Conference is held annually and is attended by Law Enforcement Agencies and volunteer civilians from the United States and Canada. Our 2021 conference will take place in at the [Hilton Virginia Beach Oceanfront Hotel](#), **June 7-10, 2021**.

The NCPAA is the leader in educating citizens and law enforcement personnel on how to build or improve their own Citizen Police Academy (CPA). In this day and age, it is essential to cultivate and nurture a relationship between police departments and the communities in which they serve. CPA's are designed to accomplish this very task. A strong academy can help bridge the gap between perception and reality. It can also help create a partnership that both the department and community will cherish. The NCPAA is a 501c3, which allows your donation to be tax-deductible.
