Dear NCPAA Members,

Your Board of Directors has been working very hard to put together a great Conference in Virginia Beach in October. The line-up of speakers and presentations is first class.

For this reason, we are very disappointed to have to cancel yet again. The increase in COVID cases has caused many agencies to put restrictions on out of state travel, which has greatly impacted our Conference registration. If we do not have sufficient attendees, this would have a huge financial impact on the Association.

Those who have paid Conference registration fees will be reimbursed in due course. Anyone making Hotel arrangements can contact the Hotel and cancel reservations without penalty.

It is very unfortunate that we are having to cancel yet again, and we sincerely apologize for any inconvenience to you. With the increase in cases we must ensure we are doing everything possible to protect our members.

We are planning some virtual gatherings in the fall and hope you will participate. We really look forward to a safe and healthy climate where we can be together again.

Please stay safe and healthy and check in to our website [www.ncpaa.us](http://www.ncpaa.us) for updates.

Sincerely,

NCPAA Board
